

Hirras Genealogy Notes

Dimitrios Hirras brought his family to Skopelos from the island of Evia. Stamatios lived in Klima, Ioannis lived in Glossa, Nikolaos lived in Skopelos town, and Andromahi lived in Ayia Paraskevi, Kassandra, Halkidiki, Greece. We do not yet know the birth order of Dimitrios Hirras' children.

Reading the Tree: Our outlines are color coded by generations. In our outlines, the formal birth / baptismal name is written first and sometimes followed by a middle name in instances when the middle name is not the father's first name. Any name seen in quotation marks is the name that friends and family would call that individual. Any change in a last name is indicated in **Bold** characters.

Greek Naming Tradition: Greek tradition prescribes that the first male offspring are named after the paternal grandfather. Similarly, the first female offspring are usually named after the paternal grandmother. Further offspring are named after the maternal grandparents. All middle names (regardless of the child's gender) are the father's first name. For example: Apostolos Nikolaos Polizos' first son would be named Nikolaos after his grandfather, with his father's name, Apostolos as a middle name. Nikolaos' first son would be named Apostolos after his grandfather and so on. In the family tree below, we have listed only middle names that differ from the "traditional" father's first name format.

In Greece, women's surnames take the possessive form (genitive form in Latin) of their fathers' last names and after marriage, their husbands' last names. We document all women born in Greece in this way. For example, the last name *Polizos* changes to *Polizou* (belonging to Polizos), *Hirras* changes to *Hirra*, and *Sideris* becomes *Sideri*. The last names of women born in America stay the same as their father's and husband's names and we have documented all names in America this way.

Name changes in the diaspora: In the process of researching the genealogy of the Hirras family and their travels, we have chosen this *Hirras* spelling for use in our documentation. We have seen Hirras also spelled as 'Hiras, Heras, Hira, Chiros, Chira, Chiras, Cheros, and Tsiras'.

All Greek names are spelled phonetically rather than using some common English spellings. For example: Hristina is typically spelled Christina in America. If born in Greece, we use the phonetical Hristina instead to accurately mimic the Greek pronunciation.

We have chosen to use the spelling, *Dimitrios*. We have also seen this spelled Demetre, Demetreos, Demetri, Demetri, and Dimitrios. We have chosen to use the spelling, *Magdalene*. We have also seen this spelled Magdaline, and Magdalini.

The following is a glossary of some Greek names and their English equivalents:
